PROFESSIONAL SUMMARY

Computer Science graduate with hands-on experience building AI-based applications and web solutions using Python, Django, and React.js. Looking to apply strong problem-solving skills as an entry-level Software Developer, contributing to real-world development projects.

TECHNICAL SKILLS

- **Programming Language:** Python, JavaScript, SQL
- **Frontend Development:** HTML, CSS, React.js, Bootstrap, Tailwind CSS
- **Backend Development:** Django, Django REST Framework, RESTful APIs
- **Database:** MySQL, SQLite
- **AI & Machine learning:** NumPy, Pandas, NLP, Scikit-learn, OpenCV, MediaPipe
- **Tools & Platforms:** Git, GitHub, VS Code, Render, Vercel

PROJECTS

AI-Based Lip Reading System using Webcam | [GitHub](#)

- Developed a real-time lip reading system using Python, OpenCV, MediaPipe, and Machine Learning.
- Detected lip movements from webcam input to predict words and generate captions without audio.

Market & Co – Full Stack E-commerce Website | [Live](#) | [GitHub](#)

- Developed an e-commerce website using React.js, Django REST Framework, JWT, and MySQL.
- Implemented product, cart, order, payment, and admin management features.

AI Resume Analyzer / ATS Scorer | [Live](#) | [GitHub](#)

- Developed an AI-based resume analyzer using Django and NLP techniques.
- Used TF-IDF and cosine similarity to match resumes with job descriptions and generate ATS scores.

EXPERIENCE

Full Stack Development Intern, CYFOTOK INFOSEC | May 2025 – June 2025

- Built responsive web pages using HTML, CSS, JavaScript, and Bootstrap, gaining hands-on experience in front-end development and UI design

EDUCATION

Sri Ramakrishna College of Arts and Science, Coimbatore 2023-2026

B.Sc. Computer Science (Artificial Intelligence & Data Science) - CGPA: 6.9

Sri Ramakrishna Matriculation Higher Secondary School 2023

Higher Secondary Education - Percentage: 71%

ACHIEVEMENTS

- Presented "AI-Based Lip Reading System Using Webcam" at ICAITICA-2026 and "Ethics and Bias in Machine Learning" at ICICT'25 International Conference
- Co-organized an inter-college hackathon with 200+ participants, handling planning, coordination, and event execution

CERTIFICATIONS

- Web Development Fundamentals - IBM
- Explore Machine Learning Using Python - Infosys Springboard
- Applied Generative AI – Infosys Springboard
